ABOUT ME

Michelladonna is a dynamic actor, comedian, producer, and community organizer from Queens, NY. As the creator and host of the community collective I'm Finna Talk (@imfinnataknyc), a workshop and open mic series, she champions the creative voices of Queer Black and Brown artists in NYC + LA, providing them with a vibrant platform to showcase their work. She also hosts Shop Cats (@shopcatsshow), a delightful internet sensation that explores the charming world of cats in local shops across the city. Additionally, Michelladonna has been featured on HBO's Game Theory with Bomani Jones and runs Muñecas Sucias Comedy (@munecassucias), a pop-up show highlighting up-and-coming queer and BIPOC comedians.
